

Hi Dear Customer,

Thank you for your interest in **Five Ocean Heath Wellness kits**. The products used in our wellness kits were specifically chosen from a combined 30 years of experience working with medical and dental professionals. The PPE currently available to the public is often inferior products that are sold at prices above those of the proven products that professionals use. The Five Oceans Wellness Kit contains the following:

ASTM Level 2 Medical masks. The highest standards for Level 2 protection. Our face masks are crafted for a comfortable fit for adults. The product is not mean for children under 10 years of age. Please see product label for further directions. The product is not reusable. Store in a clean, dry, well-ventilated area with less than 85% of humidity and free of harmful gas.

HR Pharma Hand sanitizer. We offer a convenient package that has 70% alcohol, has sufficient had sanitizer for two uses, dries quick and has no scent. Children under 6 years old using this product should be supervised. This product is recommended for children over 2 years old only. Please see product label for further directions. Store between 15-30C (59-86F).

Medline Fitguard Nitrile gloves. These Nitrile gloves offer high tear strength and resistance against chemicals that you won't find in non-medical nitrile gloves. They are powder free and very comfortable to wear. The product is not reusable. Store between 10-30C (50-86F) in a clean, dry area and unexposed to direct sunlight.

Optico Lens Cleaning Wipe. Designed to safely clean all prescription, protective and performance eyewear, as well as touchscreens and electronic displays. Remove all abrasives before use. Gently wipe clean.
